Greetings Dublin EI Families,

Welcome back to the start of another energetic school year! We hope you enjoyed the streamlined Fall Check-in Process and that your little ones are settling into a solid academic routine with their teacher. Our community is ever evolving (such a Bay Area trait, right?) and we are thrilled for the PFC to focus on Community Building events this year.

Just a reminder that the PFC Dollar-A-Day Donation drive is open all year long on our website, [dublinpfc.org](http://dublinpfc.org). Any donation your family is able to contribute is greatly appreciated by the students and staff.

We look forward to seeing everyone at our brand new Back to School Bash community event on Friday September 14th. Be sure to come out and catch up with your fellow Dublin EI families!

*In Health,*  
*Laura & Christopher Gan*

# Dublin Dollar-a-Day Family Donation

Making a voluntary Dublin Dollar-a-Day Family Donation supports your child, their teacher, and the school's community at large. Your child's teacher will receive limited funds by the District to cover 180 days of learning. By contributing a voluntary Dublin Dollar-a-Day Family Donation, your family will help provide the tools needed in a modern academic environment while also supporting Dublin campus activities, improvements, and community outreach. This allows your child to learn both inside, and more importantly, outside the classroom. **This is the one and only PFC donation request you will see for this academic year.**

★ *We are suggesting a voluntary of donation of \$180 per family*

All donations are strictly voluntary and any amount is greatly appreciated as we work to support our students. A complimentary ice cream card is included with your full Dollar-a-Day Family Donation.

Dublin Elementary is a community of families who are joined together with a common goal to help our children reach their greatest potential in a fair, supportive, transparent and non-judgemental environment.

The PFC is excited to modernize our organization's motto and have the opportunity to focus on enhancing each student's ability to build strong social skills, increase effective communication, and prepare to be a productive citizen in the increasingly global world that they will emerge into.

# BoxTops For Education

Welcome back to school, parents! I am your new 2018-2019 Box Top Coordinator, Tina Park. Clipping Box Tops is an easy way for you to help our school

buy what it needs. Box Tops are each worth 10¢, and they quickly add up to real cash for our school. This school year, our earnings goal is \$1,000. The money raised will help to support different programs for the school.

To help our school, just look for pink Box Tops on products, clip and give them to your classroom teacher. The classroom with the most box tops in each grade level will be recognized every month. For more information on the program, including a list of participating products, visit **BTFE.com**.

You can earn *double* the cash for our school by downloading the Box Top Bonus App! Download on the Apple app store or the Android app on Google play.

It's free and easy. Here's how it works:

1. Find offers on the app
2. Buy the products
3. Scan your receipt
4. Earn double the cash and watch them stack up

Also, subscribe to the Box Tops for Education email newsletter and earn 5 *Bonus Box Tops* to support our school. Just go to **BTFE.com** to get started! Make sure to enter our Box Tops ID number so our school gets credit for the Bonus Box Tops. Our school ID number is: 224707.

NOTE: Be sure to submit your Box Tops in a timely manner as they do expire and Box Tops for Education will not provide any credit for expired Box Tops. Please check the expiration date on the bottom.

*Thank you for your support!*

## Dublin Partners in Education

After School STEAM programs will be starting at every elementary school site including Dublin Elementary. Enrollment is open now and DPIE will be offering a wide variety of programs.

Want to hang a cool calendar in kitchen or office? The Student Art Calendar is now available for purchase online. This is a fundraiser that features artwork from every school site in the district. The Dublin Elementary winner is featured in May 2019.

Lastly, summer really isn't over unless we say so. DPIE is sponsoring a total park buyout at the WAVE. The event is Saturday, September 8th from 2:00–5:00 PM and the cost is ONLY \$6.50 per person. Purchase tickets, calendars and so much more at [dpiе.org](http://dpiе.org)!

### ASB Jaws-a-thon

Welcome back Dublin EI families! We hope you've had a jawsome start to the school year! We are already hard at work and excited about our first fundraiser of the year: the 7th annual JAWS-a-thon!! If you are new to our school and would like to find out first hand what this crazy fun event is all about, then we invite you to join us for an informational meeting on Thursday, September 6th from 8:45am–9:30am in the MPR (DK parents are welcome to come to the meeting late) This meeting is also for room parents and those of you who would like to be involved with planning for and volunteering at the event this year, which will take place on Friday, October 5th.

Our jaws-a-thon website was a huge success last year. New this year is all payments will be taken electronically via our website. Each year money has been lost either in the classroom or in students backpacks, and money was not accounted to the right kids. We want to make sure all money is received, credited to the right student for prizes and ultimately put toward our school. Unlike most of the other schools in our district, we do not use an outside firm to put on this fundraiser, so all money raised goes to our school. If this is a problem or concern for you, but you still want to donate, please contact the coordinators at [totallyjawsome2015@gmail.com](mailto:totallyjawsome2015@gmail.com).

If you own a business or work for a company that would like to be a corporate sponsor for the Jaws-a-thon, please contact the coordinators at [totallyjawsome2015@gmail.com](mailto:totallyjawsome2015@gmail.com). We provide our sponsors numerous opportunities for advertising your business. Check out our webpage to see all the benefits of sponsoring [tinyurl.com/yaytt3el](http://tinyurl.com/yaytt3el)

### Principal's Corner

The kids are off to a great start; making new friends and getting to know their teachers. There is a wonderful sense of community and enthusiasm around campus!

With our third week of school under way, I want to thank each of you for your support and patience as we launch our new online store. We apologize that the process was not smoother for you. Our team has been in contact with the web store provider and learned

that the platform has issues processing online purchases on mobile devices and safari browsers. The web store works best with Explorer, Google Chrome and Firefox. We hope this information helps!

Lastly, thank you for joining us a Back to School Night! Please remember to follow us on Twitter and Remind. We are set for a wonderful year!

*Fins up!*

*Lauren*
