Hello Room Parents,

We would like to THANK YOU for being an important part of your child's classroom. It is because of people like you, we are able to assist not only Dublin Elementary School, but the kids, families, and community that we are all a part of.

Phuong and I wanted to introduce ourselves as new Co-President of Dublin PFC

Phuong has a 5th grader, kinder and preschooler. She works part time as a Respiratory therapist and enjoys helping others and spending time with her family and friends.

I have a 2nd grader, I work full time as a management consultant in organizational strategy and marketing technology, a huge sports fanatic and huge fan of our town. I'm looking forward to contribute to our community through PFC.

We are so excited for the new school year with so many opportunities to come together as a community and making it so much fun for our kids.

We would like to invite you to meet and greet with the new PFC board members on Friday, August 30th from 8:30-9:30am in the MPR. We will be providing some information on Room parent responsibilities and answer any questions you may have. Coffee and pastries will be provided.

Looking forward to working with all of you to enrich our children, teachers and community experience. Please feel free to contact us by email or in person for any questions or concerns you may have for the PFC.
