Read to Me Day

Hello Parents!

This year's PFC Read to Me Day will be held on Dr Seuss's birthday March 2nd.

On this special day at Dublin El, we invite people from our community to come read to our students, and help promote the importance of literacy. In the past we have been fortunate to have the school district, city council, fire department, police department, paramedics, and local business like Rock n Jump and Target participate.

I have begun reaching out to these community members we call VIP's! If you have a contact or know of someone that we can reach out to come and be a VIP at Read To Me Day, please contact me with the information. The VIP can be from any of the organizations mentioned or some that I may have not thought of. Any help is appreciated in making this a memorable event for our students at Dublin El.

Some of our past volunteers have arrived in costume from popular books and it made the day highly memorable, especially for our younger student body. Read to Me Day is in need of volunteer coordinators to help make this a successful event:

- Decorating and putting up posters day before the event. **Event coordination or facilities background a plus.**
- Being in charge of and setting up a light refreshment table for our VIP's. **Hospitality, catering, or food services background a plus.**

- Helping pull appropriate books for our VIP readers in the library day before event. **Hospitality or Concierge background a plus.**
- Greeting and checking in VIP readers, providing their schedule, map and if needed assisting them to get to their assigned class. **Hospitality, concierge, hostessing or customer service background a plus.**
- Clean up. **Facilities background a plus.**

Please contact Ana Rodriguez at DublinElRead2MeDay@gmail.com if you have any questions or concerns. Thank You!

Turn in Box Tops by Next Friday

Great job collecting! In January, we collected a total of \$97.30, which is our largest month so far. I am pleased to also see people using the BoxTops app for additional bonuses. This gives us a running total of \$604.90 for the end of January. We still have a way to go to reach our \$1000 goal, so keep clipping and turn them in early to the PFC box by February 23! For a listing of all the Boxtops products for you to use, check out the following [flyer](#). Also, remember to sign up for www.boxtops4education.com. There is a whole list of coupons you can print for your shopping list. Please keep clipping!
