- Some line items on budget are restricted to spend on classroom & field trips only
- 5th grade camp is a completely separate fund, approx \$20,000 in there now

### **Teacher's Report** –

- Working on new sound system

- Food trucks for fundraiser as community night - May 12 Open House at DES

#### **Principal's report – Lauren**

- Enrollment 882
- 11 new staff members
- Loved the PFC spirit shirts
- Whole new office team and office makeover → thank you to PFC for funding
- State test scores back and we have caught up to the district average; positive growth in math in 4th/5th
- Title 1 Budget got cut in half this year → reduction in free/reduced families at DES, poverty index fell, state budget cuts all impact our funding. DES had to cut math support 3rd grade, classified aid position cut so interventions will be in smaller groups.

- Discussed \$10,000-15,000 cut to the Title 1 funds
- DUSD is ranked higher than the state average; 75% +/- ELA & Math
- DES had more kids reach proficient than previous year and that helped our overall score/rank
